3. **Online Banking** Email us your order (no order form is required) and we will provide our account details. This is the quickest and most secure way to order. You may also order by email and pay over the counter at Lloyds Bank. Details of payment options are at www.manxlines.co.uk/IMSpaymentoptions.htm
4. If you have a preference between loose stamps (mixed designs) and stamps in sheets, let us know. If particular supplies are out of stock, we will supply the nearest available. Except where special prices apply, we try to supply your order with as few values as practicable.
5. We are sometimes asked about stamps with ½p in the value. Such stamps are valid for their full face value. We have placed a copy of the IoM Post Office release to that effect on our website at www.manxlines.co.uk/HalfPennyValidity.jpg
6. We aim to despatch your order within 48 hours subject to holidays. Our supplies are from surplus philatelic holdings and therefore are subject to stock.
